## FALLS FROM AUTO AND IS RUN OVER

Man on Trip From Bisbee to  
Michigan Meets With  
an Accident.

Hugh Griffith is in the hospital here  
with a pair of broken ribs and a shat-  
tered nervous system as a result of an  
accident to the big touring car in which  
the three Bisbee Elks are making an  
overland trip from Bisbee to Detroit  
to attend the Elks' convention.

Griffith is the expert mechanic who  
was sent out from the auto factory at  
Detroit to accompany the Elks' party  
and keep the wheels moving smoothly.  
While leaning over the side of the big  
car to see what was the matter with  
the inner workings the mechanic was  
thrown under the auto and the car  
passed over his body, caving in a sec-  
tion of his internal reinforcing.

The accident happened near Rodeo,  
N. M., while the party was on its way  
to El Paso Thursday morning. Griffith  
was cared for by Dr. E. W. Baum, one  
of the party, and taken to Rodeo, where  
he was placed on board the Southwest-  
ern train and brought to El Paso. The  
car did not arrive here until late Thurs-  
day night with the two other passen-  
gers, Robert Newcomb and William  
Ferguson, on the upper deck. Griffith  
was left in care of Dr. C. P. Brown  
and the trip to Detroit was continued  
by way of Alamogordo and the open  
country to the east and north.
